Hi [REDACTED]... [REDACTED] would like to stay at the Hotel Terra Vita in Kazan from June 29-July 7. The website is in Russian and no one speaks English when I call hotel...it looks like this hotel may be sold out for these dates...can you please call the hotel and double check? [REDACTED]. If this hotel is sold out, please ask them if they know of a hotel nearby that is similar to them that would have availability...the room needs to be booked under [REDACTED] name...

[REDACTED], can you call [REDACTED] and maybe you can do a conference call with the hotel so you are on the line as well with [REDACTED].

[REDACTED] cell: [REDACTED]

Let me know how you do! I need an address for the hotel [REDACTED] will stay at in order to buy World Cup soccer tickets...

Thanks, [REDACTED]
