Hi Lesley,

I hope this email finds you well!

I just gave you a call but unfortunately, you were not available.

We received your question regarding the import to France. however, in order to respond to your question, we need to know the following:

1. Year/ make/ model of the car
2. Has your manager lived for more than a year in the US?
3. Since when does your manager own the car?

Once, we receive the information requested, we will gladly help you out!

Best Regards,

**Amin Rajabi**
