JoJo,
Jeffrey would like the 2 / G550 fabric passenger seats that are i the basement at 71st brought to Teterboro and give to Pete tomorrow, if you have time, if not, I'll make arrangements to have Van pick them up, .
Pete needs to install them inside the plane this week before we depart Thursday at 10pm, .
If you have time today or bring, that would be great?

Thx
Larry
