Hello Lars. I received your email address from Jen Gauthier, Peter Wohlleben's publisher. Jeffrey Epstein attended the Plant Intelligence Symposium at the NY Botanical Gardens back in March...Mr. Epstein is funding plant work at the MIT Media Lab as well as the Evolutionary Dynamics Institute at Harvard. Mr. Epstein would like to discuss funding some research or experiments of Mr. Wohlleben's. Might we be able to set up a Skype call for Mr. Epstein and Mr. Wohlleben? We reached out to Jen re this back in March...at the time, she said Peter had retreated to his forest and was not granting any interviews or calls...this time, Jen suggested I contact you re this call to discuss possible funding for Peter's work.

Please let me know if we can organize a Skype call or regular call in the near future.

Thank you,  
Lesley
