Date: Thu, 30 Aug 2018 16:45:00 +0000

Hello JoJo,,

Jeffrey would like to install the double white seat that was removed from the GIV It is located in 71st St. basement now,,

It's the double seat, not the single white captains chairs that you also have in the basement, if you want to take a picture and forward to Pete to confirm which one you are bringing, may be best, let me know if you have the opportunity to deliver today or tomorrow, we are expected to arrive in Teterboro on Monday,.

Pete Needs to install this seat Monday and Tuesday when the airplane arrives in Teterboro

Let me know when you can deliver? To Meridian Hanger #107 by Jet Avation ,

please coordinate with Pete

thanks Larry
