Hi, it's ok that you go in the apartment even though we're not there.

Shanah Tovah Yoni!

I just came by your apartment. I did not go inside, since no one opened the door.
If you would like me to come back later today to take a look at the lamp, please feel free to call me at [REDACTED]
Otherwise, [REDACTED] will come by tomorrow to check on the lamp and internet.

Best regards,

[REDACTED]
