I think the way to do it is ask kids to get there 30 min early. And then if we are not done he can keep pulling kids as practices goes on. We sub kids in all the time and we will be ok with that

Re the pictures we want Mike to take on Monday Oct. 8th before practice...Mike says he needs 3 minutes per a kid to take pics...this is about 72 minutes...and I'll bet it will take longer. That is a long time for the boys to stand around and wait for practice to start...If we ask them all to be there an **HOURLY** early, are there certain kids we can do last so if they miss a little of the warm up it is ok? Do you think practice will be normal time, 6-8pm Oct. 8th?

Aslo, we only want to explain that we need pictures for the banquet and to keep the Fat Head gift a secret so it is more fun to receive.
