Hi Karyna...the Jet Blue website states your flight to PB is delayed 40 minutes. You are now scheduled to depart at 1:51pm (instead of 1:11pm). This being said, the airline states delayed flights leave as soon as possible so please be at the airport 6-90 minutes prior to the SCHEDULED departure time...just means you get to sit in the airport longer...your flight is due to arrive at 4:42pm. You should continue to monitor your flight.
