Hello ladies!

■ love for you to join me for a women's lunch on 10/22 to support Bob Stefanowski's campaign for Governor.

The latest poll shows Ned Lamont up by 5 points with 19 percent still undecided, so he needs our help.

Following is the invite along with a link to register. Feel free to pass along to any of your friends in New Canaan, Darien and beyond who may be interested.

Hope to see you there!

xx Nicole
