Morning Bella. Just want you know I really don't care what color the phone as I want it sooner rather than later. Do you think I would have it early next week if we order today? The reason I ask is I'd like to coordinate with James to switch my phones out. Just let me know I appreciate it thanks Lesley.

HI Bella...can you please order me a new iPhone XS in Silver...same storage as I have now is fine. If the silver is not available, get the Space Gray...I want the new phone as soon as possible. All the same service plan you have for me now is great as well. Thank you! Lesley
