Dear Mr. Jeffrey Epstein

I am so sorry for this last minute invitation to a casual friends and family screening this Sunday Nov 11th of Universal's new release, Green Book. The studio has just started screening the film and the audience reaction has been spectacular.

The screening will begin at 3pm at the WB Screening room.

The film is similar to the Academy Award winning "Driving Miss Daisy" with a role reversal. An Italian-American bodyguard/driver and an African-American pianist share a journey thru the Deep South and discover a bond that is heartwarming, socially significant and highly entertaining.

Please come be ahead of the curve and see for yourself. I hope to see you on Sunday.

Invite attached

xoxo
