Hi Martin! Thank you so much for this detailed email.

-Our recipients can have any band they want...so if it is not 'standard' that is OK. Please order what we have given you.

-I believe Jeffrey opted NOT to include AppleCare+ **but would like Rich to confirm this.**

-Cecil de Jongh: 40mm

-Kara Rockenbach: will change to the 44mm size to accommodate the band!

I will be sending more orders to you on Monday as well.

Thanks, [REDACTED]

Hi [REDACTED] -

My team is working on pulling the order together for you, however it looks like they will have to complete it when they return to the office on Friday.

Also, I have a few questions:

- **Ten of the watches have bands that do not come standard with watches. This means the watch band would have to be placed in addition to the watch. Is this approved?**
  - Example: Apple Watch \$749 & Hermes Watch Band \$539
- **Would you like to include AppleCare+ for protection?**
- **Please see notes in red below and provide updated information for these two contacts:**

**\*Missing Watch Size**

**Cecile de Jongh**

Address: [REDACTED]

Case Color: Gold

Case Material: Aluminum

Band: Gold Milanese Loop

**\*Band requested does not fit watch requested. Need a new band option.**

**Kara Rockenbach**

Address: [REDACTED]

Size : 40mm

Case Color : Gold

Case Material: Stainless Steel

Band: Stone Leather Strap

Hope you both enjoy your Holiday!

I'll be back in the office on Monday, 11/26 and will be sure to reach out so that we can get this initial order placed.

Talk soon!

Best Wishes,
