Good Evening Lesley,

I've made the reservation for the 2 cats on the flight Nov. 19 Palm Beach/LaGuardia. The cost is \$125 per animal payable at the airport. Maximum pet weight is 20 lbs with carrier included and animal must remain in carrier at all times. If the total animal and carrier weight is above please let know so we can cancel the space for them. Jet Blue agent said they are very strict with the weight issue.

Also there were no extra leg room seats available on any of the Jet Blue flights booked.
