Hi Lesley -

Hope the New Year is off to a good start!

I reached out to our support team upon my return, however they were out of office until yesterday.

They just got back to me and said they are processing the return. Once I have that - I will forward you the return label for [REDACTED].

I'll be in touch by end of day today with next steps.

Hi Lesley -

Hope you had a great Christmas!

I'm just getting back into the office today and seeing this. Sorry that this was ordered incorrectly.

It looks like the single tour watch band is no longer available, otherwise I'd say we could just make a swap through a retail store.

So, in this case, we would have to submit for a return of the original watch (double tour) and a purchase of the new watch (single tour). There is a 4 week ship time on this model.

Let me know if [REDACTED] would still like to continue with the return/purchase and I'll help you get everything coordinated.

Note: I'll be OOO Monday, but will be sure to followup on Tuesday, 1/1/19.

Hello Martin and hope you had a Merry Christmas! We received a Hermes watch and band for [REDACTED] (#22 on the spread sheet) but the band is not what she wanted. I see I ordered it originally correct (Single tour) but somewhere along the line it became a Double Tour band...and I did not catch it. So sorry. May we return the bordeaux/Rose Extreme/rose Azalee Swift Leather Double Tour and get the Bordeaux/Rose Extreme Rose Azalee Swift Leather Single Tour instead? Do you need the watch and band returned or can we just return the band?

Please let me know how to proceed.

Sorry for the trouble.
Thanks.
