Frequently Asked Questions

What if I will not be available to receive my shipment?

Most of our shipments contain valuable items, so our carriers are required to obtain a signature upon delivery. However, orders delivered by Postal Service do not require a signature. If you are unable to sign for delivery, the carrier will leave a calling card. You can then contact the carrier directly to schedule a new delivery appointment or alternatively amend your delivery address.

For more information about Apple's delivery options, visit online [Help](#).

How do I track my shipment?

Visit online [Order Status](#) to view the most up-to-date status of your order. If you ordered multiple items, you may receive separate shipments with no additional shipping charges. For more information about shipping or returns, please visit online [Help](#).

You can also contact your Business Team with any questions.
