So weird? If you buy over phone they will allow you to tell them the proper country? Is it possible for you to do for me over phone? Number you would need is 9049 for JE card.

Thank you!!

It is showing same country options for me, and I called them, they said they can't add country if it is not on the list, but in the past, for those, from countries not on the list, I put US, there is no other choice or call them and make reservation over the phone.

I need round trip, premier tickets on Rail Europe departing Jan. 28th at 3:19 from Paris Nord to Brussels and return same day Jan 28 from Brussels back to Paris Nord, premier at 8:16pm for Jeffrey Epstein (US) ██████████ (French) and ██████████ (Ukraine)...I was trying to do this, but do not see 'french' or ukraine as options for country? Web site says everything must match passport? Can you help? Can you purchase for us? I have a doctor appt and must leave my house...I will be able to come back to this later...but wondering if you can help me now?
