Dear [REDACTED],

How are you? Thank you very much with the London trip!

Jeffrey told me that I could ask you to help me organize the trip to Tokyo next week.

Can you please help me with a straight flight ticket from Zurich to Tokyo on March 7th.

Jeffrey mentioned when I was in NY that I could fly in business class, but maybe it's better to re-confirm it.

[REDACTED]

!!! I will fly with a different passport (as I remember # [REDACTED]; exp date: [REDACTED]; [REDACTED]). I will get it and the visa only on Wednesday next week. Is it possible to book the flight without this information or change it before the flight, because I don't have a passport copy in front of me and cannot be sure 100% that number and expiration date are right)?

Also, Jeffrey was so kind to me that let me stay in Tokyo for a few days at Andaz Hyatt Tokyo. Please see the link to the hotel

[REDACTED]

May I ask you please to book a room for me from March 8th to March 11th at this hotel?

The only problem, that there should not be any reference to Jeffrey's name. Because I will have an internship at this hotel through Jeffrey's networking and it was his request.

Right now in London both of our rooms with [REDACTED] are under Mr. Jeffrey Epstein, and everyone address to us as Miss Epstein...it should not happen at Andaz... Let me know please if it is possible? If not, I will book the hotel by myself.

Looking forward to hearing from you.

Thank you very much [REDACTED] for all the help!!!
