Ok Got it! super on the hotel! I have included Bella on this email...she will reimburse you for the Hyatt once you forward her the invoice.

We will find a good date to return and try to do it with no fees involved if we need to cancel.

Thank you so much, [REDACTED]!

I have just booked the room through booking under my name.
I have shared with you the link from google flight in another email; The flight is SWISS airlines; Airbus A340 LX 160; departure at 1 pm arrival at 8:55 to Narita airport (Tokyo).

My internship until 31 of August and I am not sure that I will come back to Zurich... So, if it is possible to book a round trip and then cancel or change flight back without any fee would be great.
I will get my passport and visa before the flight (Wednesday, March 6). My name and date birth are the same:)) [REDACTED], [REDACTED].

Let me know if there is anything else I should provide.
I am looking forward to hearing from you.

Hi [REDACTED]. What a nice trip! I will ask Jeffrey re the biz ticket .. the link you provided is not taking me to the exact flights you are requesting. Can you please type out the carrier name, flight number and time of departure as well as give me the exact dates? I see you want to depart Zurich on March 7...but return is what day? RE the hotel, if we book through Jeffrey and pay with his CC, there is no way to avoid his name. His name will be on everything. Probably best for you to book it and get reimbursed. RE your passport, I believe I can book without passport info. We really just need your name and birthday. However, you will need an actual passport to travel. If you are traveling this week on Thursday March 7 but not getting the new passport until next week, you will need to travel with the old passport now...

Dear [REDACTED],

How are you? Thank you very much with the London trip!

Jeffrey told me that I could ask you to help me organize the trip to Tokyo next week.

Can you please help me with a straight flight ticket from Zurich to Tokyo on March 7th. Jeffrey mentioned when I was in NY that I could fly in business class, but maybe it's better to re-confirm it.

!!! I will fly with a different passport (as I remember # [REDACTED]; exp date: [REDACTED]; [REDACTED]). I will get it and the visa only on Wednesday next week. Is it possible to book the flight without this information or change it before the flight, because I don't have a passport copy in front of me and cannot be sure 100% that number and expiration date are right)?

Also, Jeffrey was so kind to me that let me stay in Tokyo for a few days at Andaz Hyatt Tokyo. Please see the link to the hotel

May I ask you please to book a room for me from March 8th to March 11th at this hotel?

The only problem, that there should not be any reference to Jeffrey's name. Because I will have an internship at this hotel through Jeffrey's networking and it was his request.

Right now in London both of our rooms with [REDACTED] are under Mr. Jeffrey Epstein, and everyone address to us as Miss Epstein...it should not happen at Andaz... Let me know please if it is possible? If not, I will book the hotel by myself.

Looking forward to hearing from you.

Thank you very much [REDACTED] for all the help!!!
