Call g3. Theyvtold me JE had to go to post office first then send the package to him. They did not say that JE had to bring g3 docs that were filled out to the post office. Please get the full docs he needs to fill out and sign and bring to post office. Call me.

yes...however, G3 says if they get Jeffrey's package tomorrow, the passport will not be ready until Mon. March 11 since it takes 3 biz days to process. Should I change Jeffrey's flight to Tues. March 12? He would have to change the flight details on his paperwork (if that is a question that is asked which I think it is...)

You have an appointment tomorrow, Wed. March 6th at 10am at the Passport Agency in West Palm on Clematis Street. This was the earliest I could get you (nothing today. 10am IS the first appt tomorrow). You should have received an email confirmation (print it and take with you). Arrive 10 minutes early. I called the National Passport Information Center (877 487 2778) and was told your old passport (even if expired) is just as good as a birth certificate to show as proof of citizenship. You had to show your birth certificate to receive your very first passport. Take a photo copy of the passport ID page, a copy of the front and back of your DL, your completed in black ink DS11 application (DO NOT SIGN UNTIL IN FRONT OF AN AGENT), proof of travel (print the ticket I sent you), new passport photo, money (exact cash, check, CC)

## Appointment Status: **Confirmed**

Confirmation #: **WEA24481371** >

- Bring your completed Form DS-11 Application for a U.S. Passport and other required documents to your appointment.
- Print this confirmation page for your reference in case you need to change/cancel your appointment.
- Look for an email with your confirmation number and instructions to help you prepare for your appointment.
