After speaking with 2 representatives from G3 (one in Washington, Lady, and one in Miami, Danny) I was told due to your situation, it is best for you to appear in person at the Miami Regional Passport Agency. You may need to fill out a written statement or there could be a swearing-in process. The regular post office in West Palm Beach would merely 'clerk' your documents, it is better for you to go directly to the state department. I obtained the "Customer Service of the State Department" phone number (202 485 8100). They will only speak directly to the applicant in case you want to ask more questions about your situation specifically.

Below is what to expect upon your arrival to Miami Regional Passport Agency

1. We suggest you arrive 30 minutes early to go through security screening. Weapons, food, and drinks are not allowed.
2. Report to the first floor of the Omni Building's NE 15th Street entrance and wait to be called for your appointment.
3. When prompted, take the elevator to the 3rd floor.

4. Check in at the Information Desk. Give them your appointment confirmation number to verify your appointment.
5. Be seated and wait until we call your number.
6. When we call your number, go to your assigned window.
7. A Department of State employee will review your application and supporting materials and discuss available delivery options.

Please note: We may not see you exactly at your appointment time.

The reason the Post Office today turned you away is because you want to expedite your passport and needed the "Letter of Authorization" from G3 (2 copies signed by you) to include in your sealed envelope. You do not need a 'Letter of Authorization' when you appear yourself at the Regional Passport Agency since you are in person. Only needed when a 3rd party is representing you.
