Jack! We will make sure to have an apartment for you at any moment! You just keep me posted! :) :)

Hi Lesley,

on top of all my work craziness, Connie and i are going to become grandparents next month. Our daughter Alison is due April 21 and will be at Mt Sinai. Obviously in general terms not knowing when we are coming up, are there any apartments available sometime between April 15 and end of month?

Thanks

Jack Goldberger
