Hey Bossman,

updates...

Nautica Boat repairs:

Carlos & Patrick took Calypso down to the BVI on Monday 4/1 to meet with Mr. Eldred about work getting done to his boat Calypso.

When I asked Carlos upon his return from the BVI about Mr. Eldred and the Nautica Boat being fixed.

Carlos said that Mr. Eldred said "No and the Nautica Boat can't be fixed because the Hull is no good. I asked him if Bossman is aware and he said Patrick will send him an email.

I asked Randy if he heard anything about the Nautica Boat from anyone and he said "Carlos, Patrick, Stephanie and Michael had a meeting and all of them agreed not to fix the Nautica Boat".

So, I called Mr. Eldred myself to get real answers.

Mr. Eldred told me that Carlos or Patrick never mentioned anything about fixing the Nautica Boat and they only spoke about the Calypso Boat. Mr. Eldred asked me to send him the images to review and he will get back to me asap.

I also asked Carlos about the Nautica Boat Tube and he said the tube guy will be off island for a few Months.

Notes: I found out from Offshore that Mr. Jesus is on St. Thomas and now would be a good time to reach out to him
