Hi [REDACTED] & Rich -

I hope you're both doing well!

I wanted to reach out and let you know that we have a new account manager, **Jose Torres (cc'd)**, that has joined our team at Apple Business.

Going forward he will be taking lead on your Apple Business Account.

Jose will be reaching out to you in order to setup an introduction call where he can get to know more about your business and how he can support you in purchasing, deploying and managing your technology.

The team at Apple Business Upper East Side and myself are still here to help you out - so you can still connect with us when you need local support, but Jose will be your main point of contact moving forward.

If you have any questions, please feel free to let me know.

Talk soon! 😊

Best Wishes,

Martin O'Brien
