Subject: Package that arrived April 8th from Madars Virza-need to find it

Date: Mon, 29 Apr 2019 18:34:44 +0000

HI Merwin...Madars Virza (who was here today) sent Jeffrey a package via regular mail...says it arrived at 1:45pm to the mailbox on April 8th...that was a Monday...it was 2 books (one on Bitcoin and one on probability...along with a letter...he says the inner packaging was gift wrapped)

Can you let me know where this is? He told Jeffrey about the package but Jeffrey says he did not receive it...any thoughts? (this is not the 2 books from Chaitin)...

Let me know. thanks, Lesley
