totally understand...last I heard Jeffrey said he would fly to NY on Monday evening...but we also have a dinner planned for him at 6:30pm on Monday...so he would need to leave earlier from the island than 'evening' to make the Monday dinner. I have nothing about coming to NY on Sunday.

Bannon's trip has been organized but no one on Bannon's team has confirmed the trip with me. I have round trip tickets from NY (Sat-Mon) for them as well as a one way ticket from Washington to STT on Sat. We have rooms at the Ritz...

If I hear anything I will keep you in the loop.
