Dear Martin and [REDACTED]

Thanks a lot for Martin 's introduction!

I shall be in Beijing this Saturday.i shall talk with relevant people . If Martin is interesting to do something in china , I am sure that I can find supporters . I know people high up in the academic world. But it would be important to know how much interest does jefferey have and if he makes an effort to support a project , what would he like in return?

Best regards

Yau
