Lesley,

I just read on your mail here under that you were about to take my tickets to NY.  
I checked and we still have treasury at Pinto's office for your projects therefore I was about to take my tickets with.

Could you please confirm that I could follow ?

Best regards,

Morning Lesley,

Yes we did and this is loosely what we agreed subject to exact flight times/connections/availability etc. Unfortunately neither Lionel or myself can fly on 2<sup>nd</sup> June due to other commitments. Also, Lionel will need to fly direct from Paris (not London) to NY.

3<sup>rd</sup> June - Morning flight from London – arrive JFK at around midday. Fly to island.

4<sup>th</sup> June – visit island etc. as you wish

5<sup>th</sup> June – Fly back to NY in morning and then back to London on evening flight

See attached my passport details as requested. Let me know if there is anything else you need?

I haven't been to the US recently so will need to complete an ESTA form. As part of this I need to confirm address and contact details for US point of contact and address where staying in US etc.

Grateful if you could advise.

Best Regards

James

Hi James. It seems you and Jeffrey may have discussed this trip. I see in some emails, Jeffrey is asking me to get you and Lionel Vilette tickets to NY on June 2 or 3 (still waiting for him to confirm exact date) then Jeffrey will fly you to his island. We will take care of your hotel stay, not to worry. Can you please send me copies of your passports as well as let me know what airport you should fly from?

Thanks, Lesley
