My girlfriend and I get back in the city that night and have a tentative reservation at another pizza place in the village called Pasquale Jones. Gave JE a heads up that my girlfriend leaves EARLY on Monday 5/27, so Im around for any lunch dates, dinner, quick hangs, walk in the park, pizza excursions the whole week! Or I can just come over to the house because I know how much you want to see me!! You guys really really really help me out every time I come to the City. CANNOT thank JE enough. You always make my birthdays ALOT more enjoyable.
