My info comes directly from the Builder/Person working on items. Sylvester cell [REDACTED]

Sylvester is not comfortable installing a kickplate on top of Rotten or swollen wood. Sylvester said he will build a new cabinet before installing the kickplate.

Sylvester is working on a building the new Cabinet to complete everything today 5/28.

Friday 5/24 Inspected for installation of kickplate without Knowledge of any major damage.
Saturday 5/25 No work scheduled
Sunday 5/26 No work scheduled
Monday 5/27 Holiday
Tuesday 5/28 rebuild cabinet and install kickplate.

I will send pictures today.
