My info comes directly from the Builder/Person working on items. Sylvester cell (340) 474-0109

Sylvester is not comfortable installing a kickplate on top of Rotten or swollen wood. Sylvester said he will build a new cabinet before installing the kickplate.

Sylvester is working on a building the new Cabinet to complete everything today 5/28.

Friday 5/24 Inspected for installation of kickplate without Knowledge of any major damage.

Saturday 5/25 No work scheduled

Sunday 5/26 No work scheduled

Monday 5/27 Holiday

Tuesday 5/28 rebuild cabinet and install kickplate.

I will send pictures today.

Jeffrey says we were told this would only take a couple of hours and wants to know why we keep getting bad info. I think it best to consult the person who needs to do the job before giving an answer from here on as to avoid annoying Jeffrey! Thanks!

Sylvester is working on the Kitchen cabinet & kick plate at the moment.

Sylvester said it's not just the kick plate.

He said the whole cabinet have to change completely before the kick plates go on.
