I have been calling Stanley several times a day in hopes of scheduling him for our own purposes. With no luck as yet.

ok...thanks Mike for the info...I just spoke to Shay and she is trying to get ahold of Global Marine's wife to see if we can use the barge this Friday May 31...if we can, then the Roberts need to round up all the supplies as they only want to make one trip to keep cost down. Shay hopes to get back to me today.

Hello Mr. Roberts and Shay. Following up to see if you have heard back from Global Marine re when you can use their barge to transport sand and the large mixer you need on GSJ to complete the cottage. Please let us know as this is holding up the completion date of the cottage. Jeffrey has suggested you use 'Mike's barge'. Would this help?

Daphne, any better idea on when our barge will be back? Last I heard it was first week of June which is next week.

We have a conference call today at 4:45pm and Jeffrey will be asking for a completion date.

Thank you and look forward to hearing back.

(ps: Mr. Roberts, I tried calling but phone went to VM and your message box is full)

Thank you,

Lesley
