Saturday! Pasquale pretty great. My favorite is still the original Patsys in East Harlem, but
love Arturo's. Still run by his son and daughter. If they're there (Scott & Lisa) send them

my best but dont let them know I'm cheating on them!

My girlfriend and I get back in the city that night and have a tentative reservation at another pizza place in the village called Pasquale Jones. A little more expensive and foodie centric hoighty toighty. But my girlfriend is taking me for my birthday with all the money we're saving on hotel! 😞

Or I can just come over to the house because I know how much you want to see me!! You guys really really really help me out every time I come to the City. CANNOT thank JE enough. You always make my birthdays ALOT more enjoyable.
