Hi Lesley,

Please find a tentative schedule for the projects as requested. The impending rains has changed my schedule drastically. I have to run now to take my daughter to the ophthalmologist and running late. if you find any time line error that is the reason why. I need to go through the schedule again but this is a start.

Regards

John

Hello Lesley,

Please find attached the proposal for the Shade Structure and the installation of doors at the engineering building.  
Have a wonderful weekend.

Regards

John

HI Ms. Groff,

Sorry about the late response, I was pouring concrete today. I am working on preliminary layout to determine all possible aspect of the shade structure located at the flag pole and pool area. I should be able to deliver the estimate(s) by Saturday the latest. Please let me know if that is okay with you. I will be on St. John in the morning and may not have phone service. If any thing please send a text.

Best Wishes  
John

Hello Mr Bedminster. I would like to follow up on the bid you are to propose for the shade structure located at the flag pole pool Mike Glidden has shown you on our island. Can you please get back to me as soon as possible with this bid?

Also wondering about the bid for the engineer doors?

Please let me know!

Thank you,  
Lesley
