Good afternoon Mr. Cooper,

My name is Kellyah Lettsome and I will be your Member Experience Concierge. I will assist with all your reservation needs, both at the Club and off-site.

We are excited to welcome you home to The Ritz-Carlton Club, St. Thomas! The Ritz-Carlton Club, St. Thomas has recovered from extensive damaged caused by Hurricanes Irma and Maria in 2017. Amenities and offerings previously available on the island, as well as amenities previously offered at the adjacent Ritz-Carlton Hotel may not yet have fully recovered due to the 2017 storms. Please see the below for current resort and island information.

The Ritz-Carlton Club, St. Thomas Current Resort Information

- The Grand Palazzo Club restaurant is open for dinner five nights a week.
- Coconut Cove, located near the Club pool, is open for breakfast, lunch and dinner.
- The beach suffered severe erosion, but we have been able to return a limited number of chairs to the beach. We are hopeful Mother Nature will continue to improve the beach.
- All swimming pools and hot tubs at the Club have been restored.
- Non-motorized watersports and daytrip excursions are available through third-party vendors.
- The Club has a robust daily activity schedule.

The Ritz-Carlton, St Thomas Hotel Information

- The hotel is closed until restoration is complete and expected to re-open as The Ritz-Carlton, St. Thomas in late 2019.
- The following hotel amenities will be closed until further notice: **Bleuwater, Sails, Essenza, In-Room Dining, Zest, Pool, the Spa, Tennis Courts, the Boutique, Ambassadors of the Environment and the Fitness Center.** In the interim the Club will be hosting fitness classes. Please see the Concierge for the schedule.
- Lady Lyndsey, The Ritz-Carlton, St. Thomas hotel's signature catamaran was destroyed in Hurricane Irma. An interim catamaran is available offering a wide variety of excursions until the new Lady Lyndsey is debuted in the fall of 2019.

St. Thomas Island Information

- Restaurants around the island continue to re-open. Be sure to check with the concierge for the most current openings.
- Island favorites such as ZoZo's Sugar Mill at Caneel Bay, Havana Blue, Room With a View, The Grille Room, and Mahogany Run Golf Course are currently closed for the foreseeable future.
- The hospital is currently open.
- Many buildings and residential homes continue to show signs of recovery throughout the island.

Tourism on island increases as cruise ships continue to come into port, hotels and resorts re-open and recovery efforts continue in the British Virgin Islands.
