Good day All

- We mounted a fiber cabinet on the wall in the Gym and have been moved from the standing rack to the wall rack so the equipment is off the floor to allow the necessary work to take place.
- The Gym Audio equipment has been moved to the staging area where the rest of the exercise equipment is stored. I tested the equipment and only lost the mixer and 1 amp but everything powered up fine.
- Tested the phones to make sure that the ring accordingly in all JE areas (Only the master suite is set to DND).

Tomorrow we resume the GSJ WIFI network upgrade.
Regards
Jruan
