Greetings TJ,

After thinking about it, we would like you to use the following shipping address:

358 El Brillo Way  
Palm Beach, FL 33480

We still need the order packed well, but it would be most convenient for us to have the order delivered to our Florida address, whenever the order is completed.

Thank you and kind regards, Daphne

Hi TJ...can you please get back to Anna re her question? It seems to me the black may be the better option...?

Not to worry, Thank you for the Quote on the drapes.  
Is there a big difference between the White backing vs the Black backing?  
Will the room be extra dark with Black Drapes & Black backing?  
Does the White backing give off a shine or a glow from light?

I would really like to place the order asap.

Thank you,  
Ann R.

Hi,  
Sorry for the delay getting back to you. We are still trying to see what the shipping costs would be to the U.S. Virgin Islands. It could be very expensive. We are trying to get some approximate weights and dimensions of the packages from the vendor and then we need to get a quote from DHL. Our vendor cannot ship outside the US. Below is the best pricing I could do on the drapes. These are based on your specifications. You would have any of the color options listed on this page (scroll down to see the colors):

These prices are for the curtains only. There are no rods included:

HTmarket.com Shopping Cart

Hi TJ,

I did a re-measurement this morning while hanging the drapes.

New measurements:

12 Panels of 9ft Long (108in)  
4 Panels of 11ft 3in Long (135in)  
All 12 Panels are 4ft Wide (48in)

We will need 16 Panels in Black w/Blackout backing for our Home Theater.

Hi Anna,

Thanks for contacting us. I tried to reach you this morning but I believe your phone number is for the U.S. Virgin Islands. Unfortunately our phones system here at the office will not allow us to call that number.

Can you please call me at the number below when you have a chance? I need to discuss the details of your drapery order and get you a price quote.

Thanks,  
TJ Wall
