---

no worries…they did get me the one for the Dream Hotel…I filled out the form early this morning and already called to confirm they have it and all is good!

They sent me message that they requested it and once they have it, will forward to you, and looks like it is not done, I am sorry, thank you fro reaching out to the hotel directly, I am still on hold with Rail Europe.

Regards,
Natalia (Natasha) Molotkova
