Hi [REDACTED] ...

I'm visiting New York for two days this week around my [REDACTED] work so not the worlds greatest schedule but wondering if maybe there's a time window when I might come by and say to my old friend. And I mean OLD.

:-)

The best time for me would be Thursday at 2:30pm. The other time is 11:30am on Friday but that's less good because I will be [REDACTED] and lord knows if that time slips a little/won't be able to call you and tell you I'm Running late

Hope to see you guys and thank you
