Just an FYI...this is hung up in customs...a form needed to be filled out to show the sleep apnea machine was purchased in the US ..Form 3299...Fed Ex called me and sent me the form...I have filled out and emailed back to them...

Form 3299 "Declaration for Free Entry of Unaccompanied Articles"

...in case this ever happens again !

I will forward you the form and a sample form so you can fill out easily! [REDACTED]
