Not to worry on the lamp! Just hope your head is ok...perhaps I should have offered you an Advil ;)

Thanks on the below...I shall forward on to Jeffrey!

Hey Lesley, Dylan here. Sorry for bonking your lampshade with my hat this morning :-P

If I were writing to Jeffrey directly, it'd go like this:

Hi Jeffrey, I was happy to meet you this morning.

You asked to see some things I've written. Here's my (only slightly out of date) professional web presence, including Letterman clip:

Here are a few stories I've written more recently that are not displayed on my site:

You might get a special kick out of this Trump story:

What kinds of media goals/story ideas are interesting to you? Masha has made it clear that she wants me to write something about you, but that's much more your call to make. I suggest that there is mileage to be gained by quoting you in a story about how proper implementation of cryptocurrency might solve financial corruption issues.

I travel back to Austin, Texas tomorrow evening, but am of course reachable. Thanks again for your time this morning.

Currently wide open on Thursday, and I'm generally biased in favor of morning meetings. Is it realistic to meet him at 10 AM ET on Thursday, 9/28?

Hey guys, here I am.

Monday afternoon or Tuesday morning/afternoon could work great, but I'm of course flexible beyond that.
