You and I agreed I thought that you wouldn't send anything without review. . I don't think you could have sent anything worse. Wrongway . .... . but it is the only apt analogy I can think of

Not at all, you obviously are stressed and im sorry for that. . as you recall , Chinese believe that remarking on your fall , forces you both to recognize an unpleasant situation and for fear of embarrassing you , should say as little as possible. . The western unpleasant but apt analogy , is if someone has a bad gas release. The last thing you should do is remind her or him of it by saying. , no worry. It doesn't smell that bad
