These trade conversations are now part of the backdrop of global markets for the next ...
10 to 20 years as these countries and economies work out their relative place in the world
and how we reorder the overall global structure to account for the rise of China, to account
for a multi-polar environment," he said.

Met with my NATO Ambassador last night. The offer is serious, I seem to be the best candidate for the job (not the only, though). Should have an interview before the end of June, decision to be made in July.

So I have to start thinking seriously whether or not I'm going for it.
