I didn't finish- you said you would not make the guy with the little dick feel bad , a guy you didn't even know well you'd be sensitive to not hurt his feelings. At the same time you would not hold back re your father's shortcomings. :)

Also I suggest you learn to give . Example if i were you i would have either asked [REDACTED] or [REDACTED] . What you can for for them as they were trying to do something nice for you or simply buy them a cookie to show appreciation. With me you say thx for advice but could have said -thank you I appreciate the time you have spent is there something i can do to express my appreciation. ? It's just good manners and costs nothing
