Is there a subject? Otherwise go to ted talks and kahn academy. And spend two weeks just reviewing courses and subjects. The last time I gave you money you gambled it away and ignored my advice.   I remember sitting in my house. And saying it is up to you m but if you follow your path you will end up home , with family,   you told me no no I promise never , I don't want to go back. And. .   I know you are smart and have made mistakes. As have we all .   Time to grow up
