Do you want to attack me . ? do you want to defend the right of people to subvert . A duly elected official? Stand up , have a debate. I don't hide in the shadows. You might not agree with me, but thats ok. Lets discuss it. I don't attack you personally , and see no reason that you should attack me. Lets discuss FACTS . You don't like mothers being separated from their children. It happens everyday to people that commit crimes . Everyday . . they are separated . In Chicago those parents are killed in the street. They are permanently separated. . Focus . !!

Ok. He thinks we are talking about bill first. I should talk to him for 5 min about that and then bring you on? should I let him know in advance that we are all going to be taking about strategy?

It should only be about strategy. Bill can wait. Tell him that I am available at 430 eastern and you'd like to cooodiatnate strategy, did you send him anything questioning his bill yet/. Or mention it?

I had sent him an email saying I had some questions about the bill on Thursday. That is when he said we should talk on Monday at 430 eastern.

I can send him a note saying that I want to discuss strategy instead and you will be on the call if you want. My plan was to spend max 30 min on the call. That is \$350.

Ha! Well some people pay for it.

Anyway how about I tell him that we all will be on the call for 10 min to talk about strategy and then you can leave the call and we can spend 10 min talking about the one item on the bill I was going to question.

Or I could tell him we will talk about the bill later.

tell him you only have 10 minutes . You will get to the bill later. You appreciate his advice. Blah blah. Why again do you want to make annoyed the people that you need on your side.

You wil want to review all the bills at the end. You are going to need him at the hearing. So why would you put him on notice that you don't want to pay now?!!
