I forgot to tell you that Justin also suggested that if conciliation fails we ask university why we couldn't have done mediation which is interesting because of course mediation is one of the allowed options. Justin said he asked the general counsel about this earlier and she said they basically never do mediation.

FYI

I will only feel good about it if it helps our cause in anyway. You wouldn't believe the amount of trouble we had with the magazine. They were spineless and cowardly to the very end. They wouldn't even put the story on the cover after promising Daphne that they would if she made one change which she did. Then they let Dylan's lawyer look at it and they made even more changes. The article you're reading now is a lukewarm version of what it should've been. Ronan also called Adam Moss prior to publication and put pressure on. I'm sure [REDACTED] contingent will be out in force. However we have truth on our side not that that's gotten us anywhere so far.
