its the times up movement. they want a woman on the court. grassley should have held the vote but he's too old to take the fight to them . its going to get worse.

Was thinking ...

Has anyone ever done a PET scan on a live plant? They have all the same neurotransmitters we do. Like a dopamine PET.

Also wouldn't it be SUPER fun to just take a few plants and stain them for all the human neurotransmitters and publish the pictures?

Don't know many ppl who stain them but could look

Would be amazing
