LISTEN try not to talk too much. . NO RUSH . you would like to hear what they propose.
! . you can bring along the drawing and use it as a prop . THIS is what the office thought
inappropriate? HOWEVER careful. - the meta view is that tenure is for academic free
speech. not for free behavior. . this is crucial

horrible choice of prosecutor woman. critical and maybe lethal mistake. . prosecutors don't cross examine. they prosecute. . power on their side . she should have been a criminal defense attorney. . is there a history of anxiety in your family, was the lights on in the bedroom.? did you ever see kavanaugh again? how many times before. ? how did you get home 8 miles from the alleged party if you did not drive.? who drove you , etc

it engages the audience that instinctually rejects pronouncements. . when he said he got the market direction wrong. you might respectfully ask didn't you also get wrong. and wouldn't you admit that your confident predictions re the election itself was way off the mark. so do you think your ability to predict has gotten better ?
