What are “ todays dollars: The IRS reviewed the issues . And agreed with trump. “ if my grandfather would have bought one hundred dollar in treasury bills. the article to be accurate would have said when Donald was 3 years old he received 14k per year. And it doesn't say whether taxes were paid on that

Just as you are direct, I am direct as well. I know of no way to find the best programs in places with which I am not familiar, other than investigating them online and making contact with a few that seem optimal. You may have other resources, but I don't, and so as of now I'm not doing anything further on that front.
