Jonathan Rowland asked me to join his new fund to invest in China, Russia, CIS & Europe. He will send me material this week. I said I am very busy but will look at it. You need to tell me what you want me to do with this but I am working on the assumption to stay far away from it.

I want back to you Jeffrey. but I should fix it here and I did it. every every day Im trying to bring our family to normal previous life. Im very afraid to stay here, Im very afraid of refusing my visa because there are so many mistakes there. Im afraid that it will happen and I will stay here and never see you. I know u think Im stupid, but this is my mood right now, sorry. Im sorry that cant send u pictures from my phone couldnt find a programm and then forgot and then couldnt do that one more day etc as usual. but one our friend visited us from Moscow and took some pictures from the birthday and sent me them today. well i had cancer a few years ago and almost didnt make it, I am from NC, now living in NJ with just my father up here. I with medical insurance payment cant afford to live in NYC, and because i do live two hours (by train) from ny, its very hard to make all castings and jobs, and i miss out on allot of things because of this.
